Physicians and medical men in all countries pronounce these wonderful remedies a mystery, that neither their science of analysis or chemical skill can explain. True, these medicines effect the most marvelous cures, and restore the dying to life, and relieve the most wretched pain-suffering victim of his tortures, in from one to twenty minutes, and although they know some of the ingredients of their composition, and Dr. Radway has published their formula (withholding only two newly discovered roots) still both French, German, English and American chemists and pharmaceutists utterly fair and American chemists and pharmaceutists utterly fail with the same ingredients as prepared by them. The great success which these wenderful remedies are constantly achieving, lies in the great secret of combiring the ingredients together after exercising due care in

Such wonders of Modern Chemistry as the SARSA-RILLIAN RESOLVENT, READY RELIEF & RAD WAY'S PILLS, are without parallel in the history of medicine, for there are some infirmities and diseases that are considered as incurable, and sure death. Yet that are considered as incurable, and sure death. Yet the most astounding cures have been made through these remedies of some diseases that have never been known to be cured by medicine.

CONSUMPTION, SOROFULA, WHITE SWELL-ING, Tumors in the Womb, Stomach, Ovaries, Bowels, Bright's Disease of the Kidneys that have been pronounced incurable, Cancers, Ulcers, Swellings, Stone in the Bladder, Calculous Concretions, Ulcers and Sores of the Bones, Rickets so deeply seated that no other medicines have ever been known to reach, have been cured by the SARSAPARLILIAN RESULVENT, aided by the KEADY RELIEF and PILLS.

Dr. Radway & Co. have never claimed one-hundredth part of the curative virtues for their remedies as is ascribed to them by the people who have used them for bear in mind, only such diseases and complaints as Dr. Radway, after successful treatment with their remedies knew they would cure, were commerated in their ift, so that many of the extraord that have been reported awakened as much astonish-ment in the discovery of their remedial agents as in those who had been resqued from death, and made whole and sound.

As many persons discredited their extraordinal power, from the fact of their disappointment in the use of other advertised remedies—and some believed it impossible for simple medicines made only from vegatable substances—roots, herbs, &c.—should possess such marvelous power. from a prominent gentleman and resident of Cincinnati, Ohio, for the past forty years well known to the newspaper publishers throughout the United States:

New York, Oct. lith, 1870.

Dr. Radway—Dear Sir: I am induced by a sense of duty to the suffering to make a brief statement of the working of your medicine on myself. For several years I had been affected with some trouble in the bladder and urinary organs, which some twelve months are culminated in a teribly afflicting disease, which the physicians all said was a spasmodic stricture, in the urethra as also inflammation of the kidneys and bladder, and gave it as their opinion that my age—73 years—would prevent my ever getting radically cured. I had tried a number of physicians, and had taken a large quantity of medicine, both alopathic and homeopathic, but got no relief. I had read of astonishing cures having been made by your remedics; and some four months ago I read a notice in the Philadelphia Saturday Evening Post of a cure having been effected on a person who had long been suffering as I had been. I went right off and got some of each—your Sarsaparillian Resolvent, Ready Relief and Regulating Pills—and commenced taking them. In three days I was greatly relieved, and now feel as well as ever.
